Regular meetings include special programs/lectures and a “Sand Flea Market” where shells and other items may be sold/purchased and a raffle. An extensive library is available for the members to use and refreshments are served.

The Artist Group is always looking for crafty folks who love working with shells and sea life to create wonderful items. No experience is necessary! We have wonderful members who love to share knowledge and techniques.

There is an annual Shell Show, which is held the third weekend in January; a spring auction in March of shells and related items; picnics, fieldtrips, December Holiday party and much, much more. Members are always on hand to assist new members and shelling novices. The ***Busycon***, the club’s monthly publication, is provided to members to inform them of each meeting date and other pertinent information.

We are a member club within the Conchologists of America (COA, the U.S. “national shell club”) and recently hosted the COA international convention at the Bonaventure Resort and Spa on July 12-18, 2015. The Club exchanges newsletters and information with many other shell clubs across the U.S. and abroad.

An annual membership directory is published each year and dues must be paid by April in order to be included in the listings. Members joining during the fiscal year will be noted in the Newsletter and will, of course, be allowed to participate in all club activities as a full voting member. Our membership year runs from May 1st to April 30th. Please make checks payable to the BROWARD SHELL CLUB.

We look forward to meeting you!
