

Upcoming Shell Craft Meeting

When- Monday, March 6th.

Time- 6:00 - 9:00 PM

Where- Pompano Beach Civic Center

1801 NE 6th Street

Pompano Beach

Activity- Shell Critter Night

By special request we have planned a fun filled "critter night". Bob Pace and Patti Jenkins will show us how to make a variety of critters. You will learn some basic and advanced tips for making critters.

It will also be a "make one, take one" night. That means our club is providing the shells and related supplies for making the critters. We ask that you make one for yourself and one for the club's craft sales table to be sold at the next shell show in January. We hope you will be able to make several during the meeting.

We will have additional critter related shells for sale so you can buy some to make more for yourself at home. As always, we will have lots of other craft shells for sale.

Supply List

A placemat to cover your work area

Glue gun and glue sticks

Small scissors

Tweezers

Tacky glue

Super glue

Any shells you want to use

If you have enough [kitten paws and augers to share](#), please bring them to meeting. The club's supply of these shells is extremely limited and both of these shells are used in many of the critters.

For inspiration, take a look at the club's Pinterest site that includes hundreds pictures of critters made using shells.

We would love to see any critters that you have already made or purchased. Please bring them to the meeting.

Please call or text me at 954.309.7752 or email me at llaurin@gmail.com if you have any questions.

We look forward to seeing you soon.
